

Perishables

With the extensive network and connection offered by the various carriers operating into Sharjah Airport, and the state-of-the-art infrastructure dedicated for handling perishable goods, along with the availability of all concerned stakeholders under one roof, the movement of all kinds of fresh products and flowers cannot be easier.

Perishables

- Dedicated cold rooms to store bulk and ULDs with perishables in the warehouse adjacent to the aircraft stands.
- A fleet of hydraulically powered roller-bed refrigerated and dry van trucks, in addition to smaller 3.5 tons trucks.
- Swift pick-up and delivery services from/to consignee doorstep.
- Ideal location of 20 minute drive to the consignee warehouses in Dubai, Sharjah and Northern Emirates markets.
